ABOUT THE PROJECT

An international **youth exchange**

offers a unique opportunity to **connect** and **engage** with young people from other European countries.

In this exchange, participants will explore topics aligned with the European Union's objectives, such as **youth participation and accessible education**.

The program will utilize **game-based learning** and gamification methodologies to enhance participants' skills in designing and developing educational activities. As a culminating activity, the group will collaborate on creating a **digital** escape room.

OBJECTIVES

EMPOWER

Strengthen participants' **confidence**, **creativity**, and **ability** to engage in collaborative projects, while fostering an understanding of European Union objectives such as youth participation and accessible education.

Explore the **power of play** as a learning tool through game-based learning and gamification, making **education** interactive, engaging, and effective.

PLAY

Develop **practical skills** in designing and creating educational games, culminating in the **collaborative creation** of a digital escape room.

LOCATION AND ACCOMMODATION

The main activities will take place in the rooms of the accommodation facility.

HI Ostello Torino

Corso Eusebio Giambone 87/34, 10134

Meals: provided - keep an open mind and be ready to embrace diverse tastes and cultures in the meals offered.

Rooms: accommodation will be in shared rooms, which may be mixed.

Amenities: Free Wi-Fi is available; towels and bed linens will be provided, but we recommend bringing your own towel or bathrobe for added convenience.

GAME CHANGERS TIPS

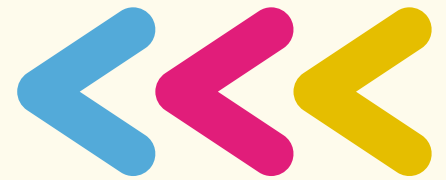

Weather in March: In Turin, it can still be quite cold in March, and there's a chance of rain. Make sure to bring warm clothes and something waterproof.

Active Participation: Remember, this exchange is a project, not a vacation. Be ready to actively participate, share, and engage with the group.

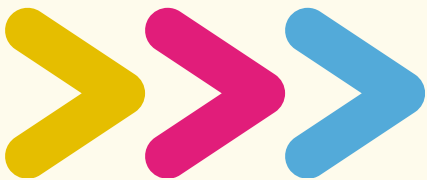

Intercultural Evening: A long-standing tradition in international exchanges! This special evening is dedicated to showcasing the national groups. Each group typically brings something traditional to share (e.g., food, drinks, or small items) and prepares a presentation or activity for everyone to enjoy. It can be anything—so be creative!

TRAVEL

March 10th: Arrival day. If possible, plan to arrive by the afternoon to join us for dinner and the first evening activities together.

We encourage participants to opt for green travel solutions (e.g., buses, trains) whenever possible.

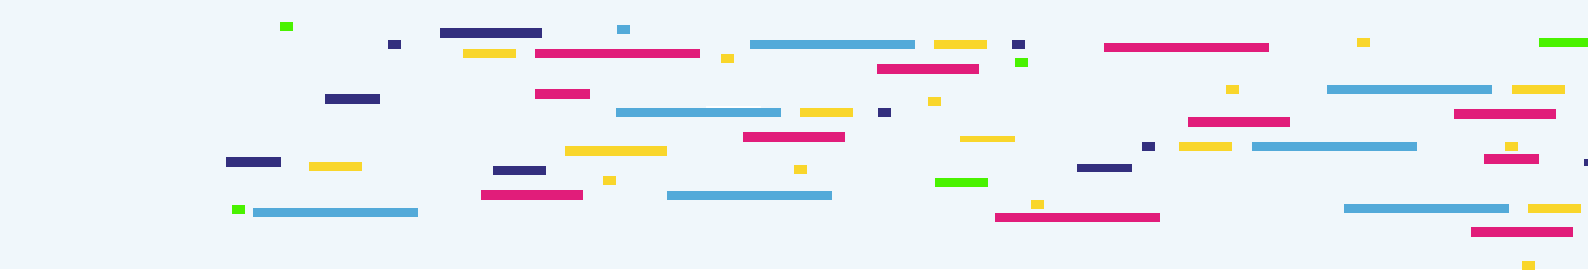

March 18th: Departure day. Participants will still be able to have breakfast at the hostel before leaving.

FINANTIAL CONDITIONS AND REIMBURSEMENT

To calculate your reimbursement, please use the **provided tool** to determine the distance in kilometers from your place of origin to Turin. Once you have the distance, refer to the attached distance band table to identify the maximum reimbursement amount, based on whether you choose a green travel option or not.

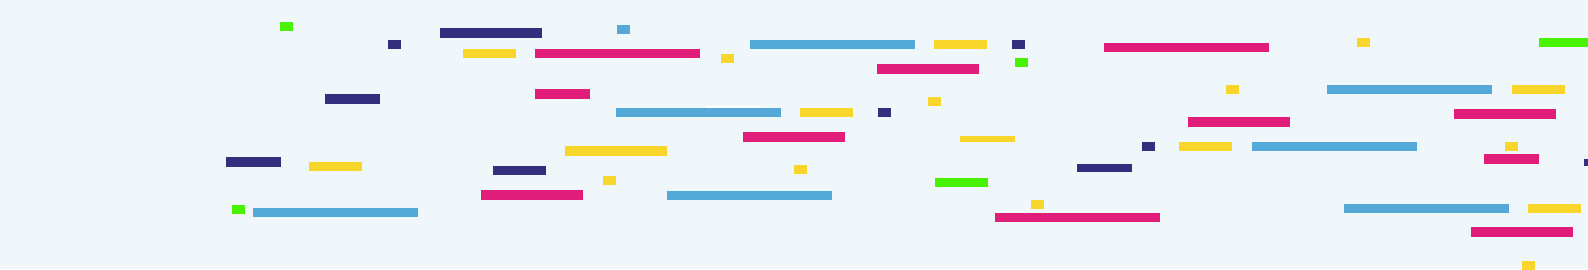

Reimbursement Requirements:

- We must receive all receipts and tickets for purchased travel.
 - If tickets were purchased online, digital copies are acceptable.
 - For any physical tickets purchased, we need to receive the original copies.
-
